PREFACE

HYPERLINK FEATURE

The digital version of this report has been hyperlinked. Click on the title of a section or a table in the List of Tables and you will be automatically directed to the actual content section or table in the report.

This report provides the detailed results for each question from this school/district's 2016–17 *California Healthy Kids Survey* (CHKS), presented in tables organized by topic.

The CHKS, along with its two companion surveys–*California School Staff Survey* (CSSS) for staff and the *California School Parent Survey* (CSPS)–is a service of the California Department of Education (CDE). These three surveys form the *California School Climate, Health, and Learning Surveys (Cal-SCHLS) System*, the largest, most comprehensive effort in the nation to regularly assess students, staff, and parents at the local level to provide key data on school climate and safety, learning supports and barriers, and stakeholder engagement, as well as youth development, health, and well-being. Exhibit 1, at the end of the Preface, presents the major school-related domains and constructs assessed by Cal-SCHLS.

These surveys grew out of CDE's commitment to helping schools promote the successful cognitive, social, emotional, and physical development of all students; create more positive, engaging school environments for students, staff, and parents; and ensure college and career readiness. They provide a wealth of information to guide school improvement and **Local Control and Accountability Plan** (LCAP) efforts, particularly in regard to the state priorities of enhancing school climate, pupil engagement, and parent involvement.

Factsheets, guidebooks, and other resources to help in understanding and using CHKS results are available for downloading from the survey website–chks.wested.org–including ***Helpful Resources for Local Control and Accountability Plans*** (chks.wested.org/resources/LCAP_Cal_SCHLS.pdf). The California Safe and Supportive Schools website also provides information and tools helpful in implementing effective strategies to address the needs identified by the survey.

The Cal-SCHLS Technical Assistance Center offers workshops to help identify local needs and develop action plans to meet those needs, including a *Listening to Students Workshop* for involving student voice in the process (see below).

THE SURVEY

The California Department of Education (CDE) has funded the CHKS since 1997 to provide data that would assist schools in: (1) fostering safe and supportive school climates, social-emotional competencies, and engagement in learning; (2) preventing youth health-risk behaviors and other barriers to academic achievement; and (3) promoting positive youth development, resilience, and well-being. A thorough understanding of the scope and nature of youth behaviors, attitudes, and learning conditions is essential to guide school improvement efforts, improve academic performance, and develop effective prevention, health, and youth development programs.

The CHKS is not just a standalone instrument but a data collection system that districts can customize to meet local needs and interests. The secondary-school CHKS consists of a required general Core Module and a series of optional, supplementary topic-focused modules that districts can elect to administer. Districts may also add their own questions of local interest in a custom module. Table 1 indicates the modules administered by the district/school.

Core Module

As outlined in Exhibit 1, the Core Module consists of key questions, identified by an expert advisory committee, that are considered most important for schools to guide improvement of academic, health, and prevention programs and promote student achievement, college and career readiness, positive development, and well-being. The great majority of the questions are school-specific, including the following indicators:

- Student grades, truancy, reasons for missing school, academic motivation, and school connectedness, as indicators of engagement;
- The levels of students' three fundamental developmental supports (protective factors) that promote positive academic, social, and emotional outcomes: experiences of caring adult relationships, high expectations, and opportunities for meaningful participation at school;
- Perceived safety and the frequency and type of harassment and bullying at school; and
- Levels of violence, substance use, and crime-related behavior (e.g., weapons possession) at school.

Supplementary School Climate Module

To further support school improvement efforts and the LCAP process, a supplementary School Climate Module is available. It provides additional data on student academic mindset, school academic supports, discipline/order, supports for social-emotional learning, bullying prevention and positive peer relationships, respect for diversity, and the quality of the physical environment (download from chks.wested.org/administer/download/supplemental/#clim). A companion Learning Conditions module can be added to the staff survey to compare their perceptions on the same constructs.

Supplementary Social Emotional Health Module (SEHM)

The SEHM greatly enhances the value of the CHKS as a strength-based assessment of positive emotions, engagement, ability to build and maintain relationships, and other social-emotional capacities linked to student mental health and well-being, academic success, and college and career readiness. It includes 46 items that capture the totality of core adolescent psychological assets.

SURVEY ADMINISTRATION AND SAMPLING

School staff administered the survey, following detailed instructions provided by CDE that were designed to assure the protection of all student and parental rights to privacy and to maintain confidentiality. Students were surveyed only with the consent of parents or guardians. Each student's participation was voluntary, anonymous, and confidential. Table A1.1 gives the target sample of students and the final number and percent of students who completed the survey (the participation response rate).

THE REPORT

The tables in the Main Report, organized by topic, provide the percentages responding to each question response option by grade level. Because it is just as important to identify the positive behaviors of youth as it is to identify the risks they face, the tables reporting risk-behavior data include the percentages of youth who responded negatively (did not engage in the behavior).

Racial/Ethnic and Gender Results

The demographic questions on the CHKS help districts meet the LCAP requirement to identify and address variations in state priorities among significant student subgroups, including differences by race/ethnicity, gender, socioeconomic status; homeless, migrant, and foster youth; and English language learners. In this report, summary tables provide key findings (e.g., safety, harassment, developmental supports, school connectedness) disaggregated by race/ethnic categories and gender. Schools can request supplementary reports disaggregating all their CHKS results by the race/ethnicity or gender of students or by other demographic categories.

UNDERSTANDING THE DATA

Care must be taken to understand the factors that can impact the quality, validity, and generalizability of the results, such as changes that occur in survey content, administration, and/or sample characteristics between administrations. The following are a few of the key issues that should be kept in mind. A more detailed discussion of these topics can be found in the *CHKS Guidebook to Data Use and Dissemination* (download chks.wested.org/resources/chks_guidebook_3_datause.pdf).

Sample Characteristics

Among the most important factors affecting the quality of survey results is the level and type of student participation. The validity and representativeness of the results will be adversely affected if the student response rate is lower than 70%. One indication of the survey's representativeness is how accurately the sample reflects the gender and ethnic composition of the student enrollment. Even if the response rate is low, the results provide an indication of what those students who did respond felt about the school and their experiences and behavior.

Changes Between Survey Administrations

Many factors besides real changes in behavior, attitudes, or experiences among students may account for changes in results from administration to administration. Changes may be due to differences over time in the characteristics or size of the sample of students who completed the survey, changes in the questions themselves, or differences between time periods in which the survey was administered (e.g., some risk behaviors tend to increase as students age, or may increase during holidays or social events).

RESOURCES

The CHKS and Cal-SCHLS websites contain guidebooks and other tools for using and understanding survey results, including factsheets that show how data variables are related and offer suggestions for how data can be analyzed at the local level.

CDE's California Safe and Supportive Schools website (CaliforniaS3.wested.org) contains a wealth of information and tools related to school climate improvement and social-emotional learning. It includes factsheets analyzing Cal-SCHLS data and *What Works Briefs* that provide guidance on strategies to implement.

The School Climate Connection Newsletter provides monthly announcements of resources, tools, webinars and workshops, and research. Sign up on the CHKS or CaliforniaS3 websites.

Among the tools available to help in understanding and using the survey results, especially for LCAP implementation and monitoring, *Making Sense of School Climate* provides a discussion of all the Cal-SCHLS survey items that relate to school climate (download californias3.wested.org/resources/S3_schoolclimateguidebook_final.pdf)

Helpful Resources for Local Control and Accountability Plans (chks.wested.org/resources/LCAP_Cal_SCHLS.pdf) describes how survey items align with LCAP priorities and indicators. Also available is an LCAP-related PowerPoint presentation (chks.wested.org/training-support/workshops-presentations).

NEXT STEPS

Receiving this report is just a beginning step in a data-driven decision-making process. The results of this student survey should be compared to those obtained from the Cal-SCHLS surveys of school staff and parents. It is important to determine how consistent are student, staff, and parent perceptions and experiences.

CHKS results will also be enriched if analyzed in the context of other data typically collected by schools that relate to the variables assessed, such as discipline referrals, school demographic information, school vandalism costs, and behavioral observations in classrooms.

The following custom services (additional fees apply) are available through the Cal-SCHLS TA Center to help in fostering effective use of the results to support school and program improvement efforts and the LCAP process.

Request School Reports

If the schools in the district vary significantly in demographics, programs, or other characteristics, consider requesting individual reports for each school (a fee applies). Two types of reports are available:

- A full report with all the survey results.
- A short, user-friendly, graphic **School Climate Report Card** that provides results across eight domains of school climate and provides an overall **School Climate Index** score based on those domains. (View a sample report: visit californias3.wested.org/resources/California_State_SCRC_1314.pdf).

Request District School Climate Report Card

For districts that survey all their schools, a district-level School Climate Report Card can be requested. This is a powerful, useful tool for guiding efforts to meet the school climate and pupil engagement priorities for the Local Control and Accountability Plan.

Request Disaggregated Reports

The staff of the Regional TA Centers can produce full reports that look at how results vary by demographic subgroups (e.g., race/ethnicity as discussed above, or by youth who are low in academic motivation compared those who are high). This is particularly important given the LCAP requirement that districts identify and address the needs of underserved subgroups.

Conduct Additional Analyses of Dataset

The complete dataset is available electronically for additional analysis (there is a small fee for preparation). The dataset enables analyses of patterns in the results, how they are interrelated, and how they vary by different subgroups of student and across schools within a district. You can also request an analysis by subgroups as a custom service.

Add Questions to Your Next Surveys

Determine what additional information is needed from students to guide school improvement efforts and add questions to your next CHKS or CSSS. Both surveys were designed so that schools can add additional questions to help them conduct a more individualized and comprehensive assessment.

Engage Students, Staff, and Parents in an Action Planning Process

Engage students, staff, and parents in reviewing and exploring the meaning of the results and obtain their input into how the school might better meet the identified needs and into the development of a detailed action plan. This communicates to stakeholders that you value their input into how to improve the school and gives them an opportunity for meaningful participation. This helps enhance pupil engagement and parent involvement, two LCAP priorities. It will also promote higher rates of participation the next time the survey is administered, as stakeholders will see how the data has been used for positive purposes.

On request, Cal-SCHLS staff can conduct a structured *Listening to Students Workshop* designed to explore with students, as staff observe, the meaning of survey results and obtain their input on how to address the needs identified by the survey. Cal-SCHLS staff also can conduct a Data Use Action Planning Workshop designed to identify local needs based on the survey results and engage adult stakeholders in developing a detailed plan and timetable for meeting those needs using evidence-based strategies. For more information, contact your Cal-SCHLS Technical Assistance Center (call 888.841.7536 or email schoolclimate@wested.org). See also: californias3.wested.org/training-support/workshops.

School Connectedness Scale Questions

	Grade 7 mean/%	Grade 9 mean/%	Grade 11 mean/%	NT mean/%
School Connectedness				
Average Scale Score	–	–	–	3.20
I feel close to people at this school.				
Strongly disagree	–	–	–	11
Disagree	–	–	–	19
Neither disagree nor agree	–	–	–	32
Agree	–	–	–	28
Strongly agree	–	–	–	11
I am happy to be at this school.				
Strongly disagree	–	–	–	25
Disagree	–	–	–	8
Neither disagree nor agree	–	–	–	35
Agree	–	–	–	17
Strongly agree	–	–	–	15
I feel like I am part of this school.				
Strongly disagree	–	–	–	15
Disagree	–	–	–	12
Neither disagree nor agree	–	–	–	33
Agree	–	–	–	27
Strongly agree	–	–	–	13
The teachers at this school treat students fairly.				
Strongly disagree	–	–	–	12
Disagree	–	–	–	7
Neither disagree nor agree	–	–	–	35
Agree	–	–	–	25
Strongly agree	–	–	–	21
I feel safe in my school.				
Strongly disagree	–	–	–	8
Disagree	–	–	–	5
Neither disagree nor agree	–	–	–	32
Agree	–	–	–	36
Strongly agree	–	–	–	19

Question HS/MS A.21-25: How strongly do you agree or disagree with the following statements?... I feel close to people at this school... I am happy to be at this school... I feel like I am part of this school... The teachers at this school treat students fairly... I feel safe in my school.
Note: Cells are empty if there are less than 10 respondents.

Table A4.10
Parent Involvement Scale Questions

	Grade 7 mean/%	Grade 9 mean/%	Grade 11 mean/%	NT mean/%
Parent Involvement in School				
Average Scale Score	–	–	–	3.43
Teachers at this school communicate with parents about what students are expected to learn in class.				
Strongly disagree	–	–	–	4
Disagree	–	–	–	13
Neither disagree nor agree	–	–	–	33
Agree	–	–	–	32
Strongly agree	–	–	–	17
Parents feel welcome to participate at this school.				
Strongly disagree	–	–	–	5
Disagree	–	–	–	10
Neither disagree nor agree	–	–	–	41
Agree	–	–	–	29
Strongly agree	–	–	–	15
School staff takes parent concerns seriously.				
Strongly disagree	–	–	–	4
Disagree	–	–	–	11
Neither disagree nor agree	–	–	–	38
Agree	–	–	–	26
Strongly agree	–	–	–	22

Question HS/MS A.27-29: How strongly do you agree or disagree with the following statements?... Teachers at this school communicate with parents about what students are expected to learn in class... Parents feel welcome to participate at this school... School staff takes parent concerns seriously.
Notes: Cells are empty if there are less than 10 respondents.

Table A4.11
Academic Motivation Scale Questions

	Grade 7 mean/%	Grade 9 mean/%	Grade 11 mean/%	NT mean/%
Academic Motivation				
Average Scale Score	–	–	–	3.54
I try hard to make sure that I am good at my schoolwork.				
Strongly disagree	–	–	–	5
Disagree	–	–	–	4
Neither disagree nor agree	–	–	–	27
Agree	–	–	–	38
Strongly agree	–	–	–	25
I try hard at school because I am interested in my work.				
Strongly disagree	–	–	–	12
Disagree	–	–	–	9
Neither disagree nor agree	–	–	–	36
Agree	–	–	–	28
Strongly agree	–	–	–	15
I work hard to try to understand new things at school.				
Strongly disagree	–	–	–	7
Disagree	–	–	–	5
Neither disagree nor agree	–	–	–	32
Agree	–	–	–	40
Strongly agree	–	–	–	16
I am always trying to do better in my schoolwork.				
Strongly disagree	–	–	–	8
Disagree	–	–	–	5
Neither disagree nor agree	–	–	–	24
Agree	–	–	–	37
Strongly agree	–	–	–	25

Question HS/MS A.30-33: How strongly do you agree or disagree with the following statements?... I try hard to make sure that I am good at my schoolwork... I try hard at school because I am interested in my work... I work hard to try to understand new things at school... I am always trying to do better in my schoolwork.
Notes: Cells are empty if there are less than 10 respondents.

Table A4.12
Quality of School Physical Environment

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
My school is usually clean and tidy.				
Strongly disagree	–	–	–	3
Disagree	–	–	–	5
Neither disagree nor agree	–	–	–	43
Agree	–	–	–	30
Strongly agree	–	–	–	19

Question HS/MS A.26: How strongly do you agree or disagree with the following statements?... My school is usually clean and tidy.
Notes: Cells are empty if there are less than 10 respondents.

5. School Violence, Victimization, and Safety

Table A5.1
Perceived Safety at School

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Very safe	–	–	–	22
Safe	–	–	–	35
Neither safe nor unsafe	–	–	–	31
Unsafe	–	–	–	10
Very unsafe	–	–	–	3

Question HS A.89/MS A.79: How safe do you feel when you are at school?
Notes: Cells are empty if there are less than 10 respondents.

Table A5.2

Reasons for Harassment on School Property, Past 12 Months

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Race, ethnicity, or national origin				
0 times	–	–	–	93
1 time	–	–	–	4
2 or more times	–	–	–	3
Religion

0 times	na	–	–	57
1 time	na	–	–	7
2 to 3 times	na	–	–	20
4 or more times	na	–	–	16

Question HS A.52-55: During your life, how many times have you used the following substances?... Prescription pain medication (Vicodin™, OxyContin™, Percodan™, Lortab™), tranquilizers, or sedatives (Xanax™, Ativan™)... Diet Pills (Didrex, Dexedrine, Zinadrine, Skittles, M&M's)... Ritalin™ or Adderall™ (JIF, R-ball, Skippy) or other prescription stimulant... Cold/Cough Medicines (Triple-C's, Coricidin Cough, Sudafed, TheraFlu, Tylenol Cough) or other over-the-counter medicines.
Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

Table A6.4
Current AOD Use, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Alcohol (at least one drink)	–	–	–	36
Binge drinking (5 or more drinks in a row)	–	–	–	28
Marijuana	–	–	–	39
Inhalants	–	–	–	5
Prescription medications to get "high" or for reasons other than prescribed	na	–	–	15
Other drug, pill, or medicine to get "high" or for other than medical reasons	–	–	–	11
Any drug use	–	–	–	47
Heavy drug use	–	–	–	36
Any AOD Use	–	–	–	55
Two or more drugs at the same time	na	–	–	16

Question HS A.63-69/MS A.58-62: During the past 30 days, on how many days did you use... at least one drink of alcohol... five or more drinks of alcohol in a row, that is, within a couple of hours... marijuana (pot, weed, grass, hash, bud)... inhalants (things you sniff, huff, or breathe to get "high")... prescription medications to get "high" or for reasons other than prescribed (such as Vicodin™, OxyContin™, Percodan™, Ritalin™, Adderall™, Xanax™)... any other drug, pill, or medicine to get "high" or for other than medical reasons... two or more substances at the same time (for example, alcohol with marijuana, ecstasy with mushrooms)?
Notes: Cells are empty if there are less than 10 respondents.
Heavy drug use was calculated based on pattern of combined current drug use on three or more days (marijuana, inhalants, prescription pain medicine to get "high" (high school only) and any other illegal drug/pill to get "high").
na—Not asked of middle school students.

Table A6.5

Frequency of Current AOD Use, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Alcohol (at least one drink)				
0 days	–	–	–	64
1 or 2 days	–	–	–	23
3 to 9 days	–	–	–	11
10 to 19 days	–	–	–	3

Had at least one drink of alcohol at school				
Hispanic or Latino	–	–	–	8
American Indian or Alaska Native	–	–	–	
Asian	–	–	–	
Black or African American	–	–	–	
Native Hawaiian or Pacific Islander	–	–	–	
White	–	–	–	9
Mixed (two or more) races	–	–	–	17

Notes: Cells are empty if there are less than 10 respondents.

Table A9.9

Current Cigarette Smoking by Race/Ethnicity, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Smoked cigarettes in the past 30 days				
Hispanic or Latino	–	–	–	37
American Indian or Alaska Native	–	–	–	
Asian	–	–	–	
Black or African American	–	–	–	
Native Hawaiian or Pacific Islander	–	–	–	
White	–	–	–	18
Mixed (two or more) races	–	–	–	50

Notes: Cells are empty if there are less than 10 respondents.

Table A9.10

Current Alcohol Use by Race/Ethnicity, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Had at least one drink of alcohol in the past 30 days				
Hispanic or Latino	–	–	–	38
American Indian or Alaska Native	–	–	–	
Asian	–	–	–	
Black or African American	–	–	–	
Native Hawaiian or Pacific Islander	–	–	–	
White	–	–	–	18
Mixed (two or more) races	–	–	–	43

Note: Cells are empty if there are less than 10 respondents.

Table A9.11

Current Marijuana Use by Race/Ethnicity, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Used marijuana in the past 30 days				
Hispanic or Latino	–	–	–	41
American Indian or Alaska Native	–	–	–	
Asian	–	–	–	
Black or African American	–	–	–	
Native Hawaiian or Pacific Islander	–	–	–	
White	–	–	–	27
Mixed (two or more) races	–	–	–	37

Notes: Cells are empty if there are less than 10 respondents.

Table A9.12

Chronic Sad or Hopeless Feelings by Race/Ethnicity, Past 12 Months

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Felt so sad or hopeless almost everyday for two weeks or more				
Hispanic or Latino	–	–	–	26
American Indian or Alaska Native	–	–	–	
Asian	–	–	–	
Black or African American	–	–	–	
Native Hawaiian or Pacific Islander	–	–	–	
White	–	–	–	27
Mixed (two or more) races	–	–	–	26

Note: Cells are empty if there are less than 10 respondents.

10. Gender Breakdowns

Table A10.1

School Supports and Academic Motivation by Gender

Percent of Students Scoring High	Grade 7		Grade 9		Grade 11		NT	
	Female %	Male %	Female %	Male %	Female %	Male %	Female %	Male %
School Environment								
Total school supports	–	–	–	–	–	–	36	23
Caring adults in school	–	–	–	–	–	–	54	30
High expectations-adults in school	–	–	–	–	–	–	50	32
Meaningful participation at school	–	–	–	–	–	–	14	0
School Connectedness	–	–	–	–	–	–	32	28
Parent Involvement in School	–	–	–	–	–	–	46	34
Academic Motivation	–	–	–	–	–	–	21	17

Note: Cells are empty if there are less than 10 respondents.

Table A10.2

Select Perceived Safety, Harassment, Alcohol and Drug Use, and Mental Health Measures by Gender

	Grade 7		Grade 9		Grade 11		NT	
	Female %	Male %	Female %	Male %	Female %	Male %	Female %	Male %
Perceived Safety at School								
Feel safe or very safe at school	–	–	–	–	–	–	67	51
Harassment/Bullying at School								
During the past 12 month at school, have you been...								
harassed/bullied for any of the five bias-related reasons	–	–	–	–	–	–	14	9
harassed/bullied for any reasons	–	–	–	–	–	–	29	13
Current ATOD Use								
During the past 30 days, did you...								
have at least one drink of alcohol at school	–	–	–	–	–	–	14	11
smoke cigarettes	–	–	–	–	–	–	50	33
have at least one drink of alcohol	–	–	–	–	–	–	41	34
use marijuana	–	–	–	–	–	–	39	38
Mental Health								
Chronic sad or hopeless feelings, past 12 months	–	–	–	–	–	–	54	17

Notes: Cells are empty if there are less than 10 respondents.

Drug Free Communities (DFC) Module

1. Module Sample

Table G1.1
Student Sample for DFC Module

	Grade 7	Grade 9	Grade 11	NT[A]
Student Sample Size				
Target sample	–	–	–	129
Final number	–	–	–	74
Average Response Rate	–	–	–	57%

Note: [A]NT includes continuation, community day, and other alternative school types.

2. Summary of Key Indicators

Table G2.1

Key Indicators of Alcohol and Other Drug Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %	Table
Alcohol and Marijuana Consumption Patterns					
Usually drank until felt it a lot	–	–	–	21	G3.4
Usually used marijuana or other drugs until felt it a lot	na	–	–	32	G3.5
Consequences of AOD Consumption					
Caused one or more problems	na	–	–	37	G4.1
Caused one or more dependency-related experiences	na	–	–	40	G4.2
Supports to Reduce AOD Use					
Very likely find help at school for quitting or reducing use	na	–	–	30	G5.2
Availability					
Sold Drugs, Past 12 Months	na	–	–	17	G6.1
Strong Personal Disapproval of AOD Use					
Having one or two drinks of any alcoholic beverage nearly every day	–	–	–	23	G7.1
Trying marijuana or hashish once or twice	–	–	–	10	G7.1
Using marijuana once a month or more	–	–	–	12	G7.1

Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

3. Alcohol, Tobacco, and Marijuana Consumption Patterns

Table G3.1
Age of Onset – AOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Alcohol (one full drink)				
Never	–	–	–	34
10 or under	–	–	–	15
11-12 years old	–	–	–	16
13-14 years old	–	–	–	19
15-16 years old	–	–	–	16
17 years or older	–	–	–	0
Marijuana				
Never	–	–	–	37
10 or under	–	–	–	12
11-12 years old	–	–	–	18
13-14 years old	–	–	–	21
15-16 years old	–	–	–	10
17 years or older	–	–	–	3
Any other illegal drug or pill to get "high"				
Never	–	–	–	59
10 or under	–	–	–	3
11-12 years old	–	–	–	9
13-14 years old	–	–	–	16
15-16 years old	–	–	–	11
17 years or older	–	–	–	1

Question HS/MS G.1, 4, 5: About how old were you the first time you did any of these things?... Had a drink of an alcoholic beverage (other than a sip or two)... Used marijuana or hashish... Used any other illegal drug or pill to get "high."
Note: Cells are empty if there are less than 10 respondents.

Table G3.2
Age of Onset – Tobacco Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Smoked part or all of a cigarette				
Never	–	–	–	45
10 or under	–	–	–	12
11-12 years old	–	–	–	19
13-14 years old	–	–	–	12
15-16 years old	–	–	–	10
17 years or older	–	–	–	1
Smokeless tobacco				
Never	–	–	–	71
10 or under	–	–	–	1
11-12 years old	–	–	–	8
13-14 years old	–	–	–	10
15-16 years old	–	–	–	10
17 years or older	–	–	–	0

Question HS G.2, 3: About how old were you the first time you did any of these things?... Smoked part or all of a cigarette... Used smokeless tobacco or other tobacco products.
Note: Cells are empty if there are less than 10 respondents.

Table G3.3
Prescription Drug Use, Past 30 Days

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
No	–	–	–	88
Yes	–	–	–	12

Question HS G.31/MS G.24: During the past 30 days, have you used prescription drugs not prescribed to you?
Note: Cells are empty if there are less than 10 respondents.

Table G3.4
Usual Alcohol Consumption Level

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
I don't drink alcohol	–	–	–	45
Just enough to feel it a little	–	–	–	11
Enough to feel it moderately	–	–	–	23
Until I feel it a lot or get really drunk	–	–	–	21

Question HS/MS G.6: If you drink alcohol, how much do you usually drink?
Note: Cells are empty if there are less than 10 respondents.

Table G3.5
Usual Marijuana Consumption Level

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
I don't use drugs	na	–	–	39
Just enough to feel a little high	na	–	–	12
Enough to feel it moderately	na	–	–	16
Until I feel it a lot or get really high	na	–	–	32

Question HS G.7: If you use marijuana or other drugs, how "high" (stoned, faded, wasted, trashed) do you usually like to get?
Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

4. Consequences of AOD Consumption

Table G4.1
Problems Caused by AOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Doesn't apply; I've never used alcohol or drugs	na	–	–	47
I've used alcohol or drugs but never had any problems	na	–	–	17
Have problems with emotions, nerves, or mental health	na	–	–	14
Get into trouble or have problems with the police	na	–	–	21
Have money problems	na	–	–	7
Miss school	na	–	–	19
Have problems with schoolwork	na	–	–	7
Fight with others	na	–	–	14
Damage a friendship	na	–	–	10
Physically hurt or injure yourself	na	–	–	7
Have unwanted or unprotected sex	na	–	–	9
Forget what happened or pass out	na	–	–	26
Have any other problems	na	–	–	4
One or more problems	na	–	–	37

Question HS G.8: Has using alcohol, marijuana, or other drugs ever caused you to have any of the following problems? (Mark All That Apply.)
Notes: Cells are empty if there are less than 10 respondents. Total percentages may exceed 100% for "mark all that apply" items.
na—Not asked of middle school students.

Table G4.2

Alcohol or Other Drug Use Caused Negative Experiences

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Does not apply; I have not used alcohol or drugs	na	–	–	46
I use alcohol or drugs but have not experienced any of these things	na	–	–	21
Found you had to increase how much you use to have the same effect as before	na	–	–	10
Frequently spent a lot of time getting, using, or being hung over from using alcohol or other drugs	na	–	–	13
Used alcohol or drugs a lot more than you intended	na	–	–	18
Used alcohol or drugs when you were alone (by yourself)	na	–	–	19
Your use of alcohol or drugs often kept you from doing a normal activity, like going to school, working, or doing recreational activities or hobbies	na	–	–	15
Often didn't feel OK unless you had something to drink or used a drug	na	–	–	13
Thought about reducing (cutting down) or stopping use	na	–	–	16
Told yourself you were not going to use but found yourself using anyway	na	–	–	19
Spoke with someone about reducing or stopping use	na	–	–	9
Attended counseling, a program, or group to help you reduce or stop use	na	–	–	4
One or more negative experiences	na	–	–	40

Question HS G.9: If you use alcohol, marijuana, or another drug, have you had any of the following experiences? (Mark All That Apply.)

Notes: Cells are empty if there are less than 10 respondents. Total percentages may exceed 100% for "mark all that apply" items.

na—Not asked of middle school students.

Table G4.3

Likelihood of Suspension, Expulsion, Transfer Because of AOD Use/Possession

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Very likely	na	–	–	51
Likely	na	–	–	15
Not likely	na	–	–	7
Don't know	na	–	–	27

Question HS G.12: In your opinion, how likely is it that a student will be suspended, expelled, or transferred if he or she is caught on school property using or possessing alcohol or other drugs?

Notes: Cells are empty if there are less than 10 respondents.

na—Not asked of middle school students.

5. Supports to Reduce AOD Use

Table G5.1
Needed Counseling for Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
No, I never used alcohol or other drugs	na	–	–	47
No, but I do use alcohol or other drugs	na	–	–	40
Yes, I have felt that I needed help	na	–	–	14

Question HS G.10: Have you ever felt that you needed help (such as counseling or treatment) for your alcohol or other drug use?
Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

Table G5.2
Likelihood of Finding Help at School for Quitting or Reducing Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Very likely	na	–	–	30
Likely	na	–	–	13
Not likely	na	–	–	20
Don't know	na	–	–	38

Question HS G.11: In your opinion, how likely is it that a student could find help at your school from a counselor, teacher, or other adult to stop or reduce using alcohol or other drugs?
Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

Table G5.3
Talked with Parent About ATOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
No	–	–	–	65
Yes	–	–	–	35

Question HS G.17/MS G.11: During the past 12 months, have you talked with at least one of your parents or guardians about the dangers of tobacco, alcohol, or drug use?
Note: Cells are empty if there are less than 10 respondents.

6. Availability

Table G6.1
Sold Drugs, Past 12 Months

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
No	na	–	–	83
Yes	na	–	–	17

Question HS G.19: During the past 12 months, have you sold drugs to someone?
Notes: Cells are empty if there are less than 10 respondents.
na—Not asked of middle school students.

Table G6.2
Sources for Obtaining Alcohol

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
At school	–	–	–	6
At parties or events outside school	–	–	–	15
At their own home	–	–	–	18
From adults at friends' homes	–	–	–	15
From friends or another teenager	–	–	–	25
Get adults to buy it for them	–	–	–	14
Buy it themselves from a store	–	–	–	8
At bars, clubs, or gambling casinos	–	–	–	1
Other	–	–	–	10
Don't know	–	–	–	59

Question HS G.13/MS G.7: How do most students at your school who drink alcohol usually get it? (Mark All That Apply.)
Notes: Cells are empty if there are less than 10 respondents. Total percentages may exceed 100% for "mark all that apply" items.

7. Influences on ATOD Use

Table G7.1

Personal Disapproval of AOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Having one or two drinks of any alcoholic beverage nearly every day				
Neither approve nor disapprove	–	–	–	63
Somewhat disapprove	–	–	–	14
Strongly disapprove	–	–	–	23
Trying marijuana or hashish once or twice				
Neither approve nor disapprove	–	–	–	81
Somewhat disapprove	–	–	–	9
Strongly disapprove	–	–	–	10
Using marijuana once a month or more				
Neither approve nor disapprove	–	–	–	81
Somewhat disapprove	–	–	–	7
Strongly disapprove	–	–	–	12

Question HS G.14-16/MS G.8-10: How do you feel about someone your age doing the following?... Having one or two drinks of any alcoholic beverage nearly every day... Trying marijuana or hashish once or twice... Using marijuana once a month or more.

Note: Cells are empty if there are less than 10 respondents.

Table G7.2

Perceived Risks Associated with Prescription Drug Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Use prescription drugs that are not prescribed to them				
Great risk	–	–	–	42
Moderate risk	–	–	–	9
Slight risk	–	–	–	9
No risk	–	–	–	3
I don't know	–	–	–	36

Question HS G.32/MS G.25: How much do you think people risk harming themselves physically or in other ways if they use prescription drugs that are not prescribed to them?

Note: Cells are empty if there are less than 10 respondents.

Table G7.3
Parent Disapproval of ATOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Take one or two drinks of alcohol nearly every day				
Very wrong	–	–	–	67
Wrong	–	–	–	19
A little wrong	–	–	–	6
Not at all wrong	–	–	–	9
Smoke tobacco				
Very wrong	–	–	–	63
Wrong	–	–	–	21
A little wrong	–	–	–	6
Not at all wrong	–	–	–	10
Use marijuana				
Very wrong	–	–	–	57
Wrong	–	–	–	16
A little wrong	–	–	–	9
Not at all wrong	–	–	–	19
Use prescription drugs not prescribed to you				
Very wrong	–	–	–	60
Wrong	–	–	–	12
A little bit wrong	–	–	–	1
Not at all wrong	–	–	–	3
I don't know	–	–	–	24
Use prescription drugs to get high or for reasons other than prescribed				
Very wrong	–	–	–	68
Wrong	–	–	–	16
A little wrong	–	–	–	6
Not at all wrong	–	–	–	10

Question HS G.20-23, 33/MS G.13-16, 26: How wrong do your parents or guardians feel it would be for you to do the following?... Take one or two drinks of alcohol nearly every day... Smoke tobacco... Use marijuana... Use prescription drugs to get high or for reasons other than prescribed... How wrong do your parents feel it would be for you to use prescription drugs not prescribed to you?

Note: Cells are empty if there are less than 10 respondents.

Table G7.4
Peer Disapproval of ATOD Use

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Take one or two drinks of alcohol nearly every day				
Very wrong	–	–	–	45
Wrong	–	–	–	12
A little wrong	–	–	–	23
Not at all wrong	–	–	–	20
Smoke tobacco				
Very wrong	–	–	–	42
Wrong	–	–	–	13
A little wrong	–	–	–	19
Not at all wrong	–	–	–	26
Use marijuana				
Very wrong	–	–	–	31
Wrong	–	–	–	7
A little wrong	–	–	–	16
Not at all wrong	–	–	–	46
Use prescription drugs not prescribed to you				
Very wrong	–	–	–	33
Wrong	–	–	–	15
A little bit wrong	–	–	–	15
Not at all wrong	–	–	–	6
I don't know	–	–	–	31
Use prescription drugs to get high or for reasons other than prescribed				
Very wrong	–	–	–	43
Wrong	–	–	–	13
A little wrong	–	–	–	16
Not at all wrong	–	–	–	28

Question HS G.24-27, 34/MS G.17-20. 27: How wrong would your close friends feel it would be if you did the following?... Take one or two drinks of alcohol nearly every day... Smoke tobacco... Use marijuana... Use prescription drugs to get high or for reasons other than prescribed... How wrong do your friends feel it would be for you to use prescription drugs not prescribed to you?

Note: Cells are empty if there are less than 10 respondents.

Table G7.4

Peer Disapproval of ATOD Use - Continued

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
Drinking one or two drinks of alcohol nearly every day				
Neither approve nor disapprove	–	–	–	49
Somewhat disapprove	–	–	–	20
Strongly disapprove	–	–	–	30
Using marijuana				
Neither approve nor disapprove	–	–	–	64
Somewhat disapprove	–	–	–	17
Strongly disapprove	–	–	–	19
Using prescription drugs to get high				
Neither approve nor disapprove	–	–	–	45
Somewhat disapprove	–	–	–	23
Strongly disapprove	–	–	–	32

Question HS G.28-30/MS G.21-23: How do you think your close friends would feel about you doing the following?... Drinking one or two drinks of alcohol nearly every day... Using marijuana... Using prescription drugs to get high.

Note: Cells are empty if there are less than 10 respondents.

Table G7.5

Heard, Read, or Watched Any Anti-ATOD Messages, Past 12 Months

	Grade 7 %	Grade 9 %	Grade 11 %	NT %
No	–	–	–	46
Yes	–	–	–	54

Question HS G.18/MS G.12: During the past 12 months, have you heard, read, or watched any messages about not using alcohol, tobacco, or drugs?

Note: Cells are empty if there are less than 10 respondents.

Z. Napa County Office of Education Custom Questions

1. Module Sample

Table Z1.1
Student Sample for Custom Questions

	Grade 7	Grade 9	Grade 11	NT[A]
Student Sample Size				
Target sample	–	–	–	129
Final number	–	–	–	69
Average Response Rate	–	–	–	53%

Note: [A]NT includes continuation, community day, and other alternative school types.

2. Custom Questions
